Members Professional Profile Form

Full Name	Saqib Mahmood
Academic Qualification	MBBS, MSc., PhD
Designation	Consultant Medical Geneticist and Head of Molecular Pathology & Cytogenetics Department
Department/Institute	Chughtai Lab, Lahore
Brief Summary	With 36 years of experience in teaching, research, and administration across leading medical institutions — including Mayo Hospital, King Edward Medical College, Allama Iqbal Medical College, and The Children's Hospital & Institute of Child Health Lahore — I bring a broad and distinguished academic profile. I served for 15 years as Tenured Professor of Human Genetics & Molecular Biology at the University of Health Sciences, Lahore, supervising 10 PhD and 20 MPhil students. During this time, I also contributed administratively — with involvement in examination management, membership of the Syndicate, Chairpersonship of the Board of Allied Health Sciences, and participation in key university committees. Following retirement from UHS, I served as Dean, Faculty of Allied Health Sciences at Nur International University, Fatima Memorial Hospital Medical & Dental College, Lahore. I currently hold the position of Consultant Medical Geneticist and Head of Department, Molecular Pathology & Cytogenetics at Chughtai Lab, Lahore. My clinical and academic focus encompasses molecular diagnosis and genetic counseling in the areas of pediatric & adult genetics, reproductive genetics, and cancer genetics. My research endeavors in this domain have been supported by grants from the Higher Education Commission of Pakistan, Pakistan Science Foundation, and Punjab Higher Education Commission, with publications in internationally renowned journals with a cumulative impact factor of 153.031.
